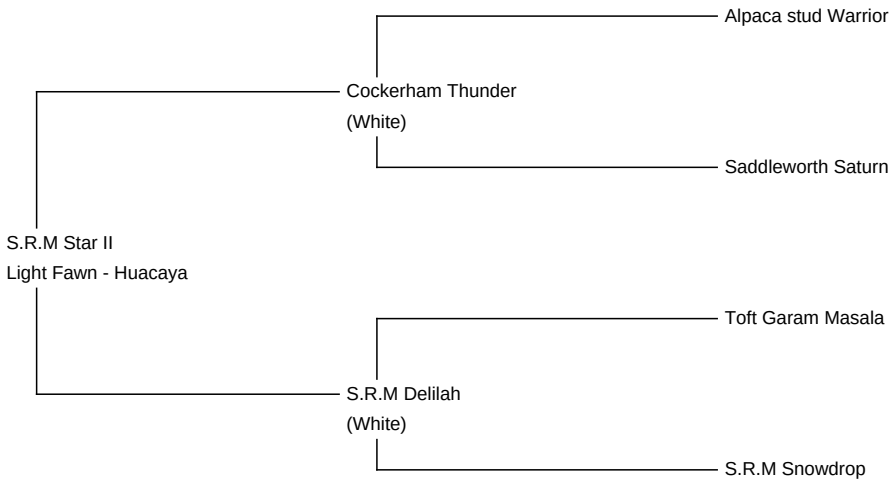
Date of Birth: 21st June 2012



Description:

Star is a real joy in the herd. Amazing mother, great temperament, a sound frame and a fleece with great potential. Her fleece has good density and organisation. She is holding her fleece qualities well and lets colour through from the Sire. Her cria is looking lovely and can be discussed as part of the sale prior to weaning in December. I am expecting something excellent with the covering male OLD Massimo D Amour.

Name of covering male: OLD Massimo d' Amour (Dark Fawn)
Last Mating Date: 15th July 2021
Estimated Date Cria Due (Pregnant Female): 15th June 2022

Number of Crias bred from female: 7
