Description:

Dom Perignon is recently castrated as his fleece was not fine enough to continue as a stud male. We do not sell our boys until they are 18 months old, castrated and halter trained, we only sell them in groups of 3 or more. Our boys are walked on the halter starting at 6 months and walk around our farm's walk ways and woodland. Our boys love people and have have been frequently handled having been weighed weekly as cria and monthly afterwards.
