Omschrijving:

Gipsy is a sweet natured girl with a strong upright frame. She has a dense organised fleece and impressive genetic pedigree. She was placed both as a junior and intermediate at the BAS National Shows. Her daughter was also placed at the 2022 National Show and her mother was Reserve Champion White Female at the Three Counties Show in 2014. She is reluctantly for sale as we need to downsize our herd but preferably as a package with at least one other of our females. We would also offer a free mating to our Champion Light Fawn Stud Male Horizon.

Price is negotiable to ensure she goes to a 5 Star home
