### **Beschreibung:**

Beatrix is a lovely laid back calm alpaca and will even take the Vitamin D paste straight from the tube without any one holding her. A super girl to add to any herd.

Not mated only due to our lack of time.

Priced to sell, not a reflection on quality but a need to reduce herd size.

See our website or alpaca seller to see more females for sale. (We have approx 30 females for sale). Nice quality females with discounts available for 3 or more alpacas purchased.

See our website [www.winwickbarnalpacas.co.uk](http://www.winwickbarnalpacas.co.uk) and our Facebook page <https://www.facebook.com/winwickbarnalpacas>

All females up to date with husbandry. Vaccinated and ready to go to new homes.

Near Huntingdon, Cambs

Cambridgeshire is in a Low Risk Area (LRA) and has a low incidence of bovine TB and no recognised significant reservoir of the disease in wildlife.

We take biosecurity very seriously with double perimeter fencing. We haven't shown our alpacas since 2017. We have previously done voluntary TB testing and tested all clear. We are in 4 year testing area.
