> Syke House Withup (Light Fawn (Solid Colour) - Huacaya)

## **Description:**

This female has the advantage of being an experienced birther and excellent mother. Her cria is one of the best grown in the paddock. She has had coloured cria. She has good conformation and a pleasing head type. She was bred at Syke House Alpacas which was one of the founding herds for the UK alpaca industry. She is halter trained although a little out of practice!

Vittegora is sold with a guaranteed pregnancy to King Garth Hipster (live cria 24 hrs on the ground) or a remating to Hipster. This mating may produce a very nice cria.

Vittegora is up to date with all husbandry and on going advice and support is offered for as long as required. Delivery can be arranged for up to 100miles from King Garth. 10% discount is offered for anyone purchasing 2 or more alpacas from King Garth.

Name of covering male: King Garth Hipster (Medium Fawn) Last Mating Date: 10th August 2022 Estimated Date Cria Due (Pregnant Female): 10th July 2023
