### Description:

Camelot Lancelot has been working as a stud male at Ashbourne now for the past 3 seasons & we are very excited by what he has produced across a number of females in our herd.

Lancelot was chosen by the Ashbourne stud, for his excellent confirmation, bone and fleece characteristics.

He has an extremely dense soft handling fleece with high frequency and high amplitude characteristics.

Sired by the renowned Windsong Valley Firedragon, Lancelot really is the complete package.

Latest Update - We are very excited by Lancelot's progeny - continually going on to win ribbon's across multiple cria.

### Prizes Won:

Camelot Lancelot has been working as a stud male at Ashbourne since the first few seasons and we are very excited by what he has achieved. He has a number of females in his herd with more of his progeny going on to produce show winning kids.

Lancelot was chosen by the Ashbourne stud as he had the perfect mix of both sides of the breed. He has an extra mile of fleece with black and white markings and high and tight crimped texture.

Bred by the renowned Widdowson Valley Farm, Lancelot is a true champion of the breed.
