*(taken on 1st October 2014 at 3 Years of age)*

**Fibre Testing Authority:** Independant Wool Growers

### Description:

Hero is a truly stunning macho male who has inherited superb traits in both conformation and fleece from his mutli-award winning parentage, including the infamous Supreme Champion Sire, Cambridge Navigator. Like his Dad, Hero is a well grown alpaca with a large, strong frame and solid bone structure.

Hero's fleece is truly wonderful ? it is fine, bright and highly uniform. It has exceptional density and length of staple. Hero?s fleece achieved 100% comfort factor and a spinning fineness of just 15.5 micron. He is packing a huge amount of fleece on his frame, his last blanket weighing 4kg.

Hero is a good-natured alpaca and a delight to work with. He really is a complete package and he would complement well many females, white or coloured.

Neither Hero, or his fleece, have ever been shown.

Hero's first progeny were born in 2016 - just two cria, but they are exceptional in their fleeces. The cria are available to view on farm.
