### Description:

Benbecula, aka Benny, is a stunning, upstanding, white macho alpaca. He has excellent conformation with strong bone structure, pleasing head shape and face.

Benny's fleece really makes him stand out from the crowd ? as he matures he is retaining his fineness at 17 Micron, with an impressive 100% Comfort Factor to his third fleece. Benny?s fleece is highly uniform, bright, crimped and very dense. The handle is extremely soft and he has excellent fleece coverage extending down his legs.

Benny has inherited many of his fine attributes from his highly successful sire, EP Cambridge Courage and infamous Grandsire NWA Ruffo. We showed Benny at the 2015 British Alpaca Futurity where, in a highly impressive line-up of Adult Male Whites, he was placed 3rd ? a truly exceptional result.

Benny is working with great enthusiasm and success, and he will be available for a limited number of outside matings (drive-by or mobile services) this year.
