Description:

Described by a well renowned judge as 'a fine upstanding male, who exhibits the complete package', El Cid is indeed a stunning boy!

He has excellent conformation, strong bone structure, he is a well grown alpaca with correct proportions. He has great head shape and is a gentle natured male.

El Cid's fleece is a beautiful rich brown and this colour is highly uniform across his frame. Although not the finest of fleeces, his uniformity means that his fleece has a wonderfully soft handle. It is very dense with excellent brightness.

El Cid has excelled in the showring and won 1st Adult Male Brown in a highly competitive class in the 2015 South of England Show.

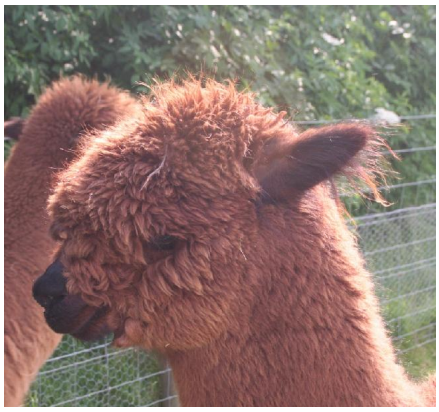

El Cid's Sire is a multi-award winning Australian stud, who has brought new and exciting bloodlines to the UK.

El Cid is available for stud services, or is available for sale in part-share or whole.
