(Dark Fawn (Solid Colour) - Huacaya)

Yenaminut Lunar Light
Dark Fawn (Solid Colour) - Huacaya

Yenaminut Maiko
(Medium Fawn - Huacaya)

Description:

He is an elite male, with the show career to back it up (results include reserve champion medium/dark fawn male at the 2017 Spectacular, Champion at Ballarat 2017, and Champion and Best Fawn at AlpacaFest 2018).

This male is still exhibiting an ultra fine fleece (histogram pics) and brilliant density. His lack of coarse primary fibres right into the extremities is absolutely outstanding and this quality gives him a luxuriously soft handle. He is carrying all of this on an exceptional frame.

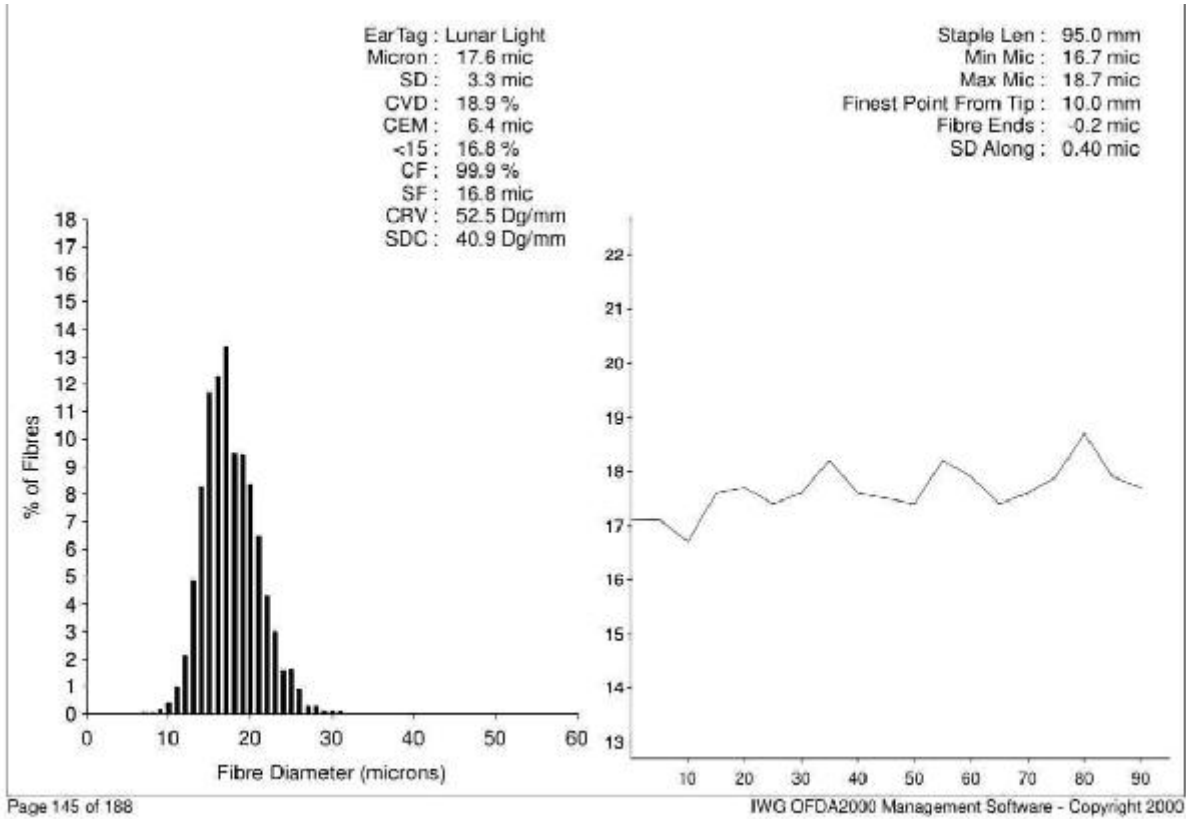

His sire, Yenaminut Lunar Eclipse, was a colourbration Supreme fawn and multiple-Champion winner.
