Description:

This ribbon winner is a spectacular female with Pperuvian Vengador and Pperuvian Victor lines. She is a solid young female, with excellent conformation and fine fleece. Her fleece has bundles of crimp, with lots of character and a long staple.

Kassia's dam is Lucky Copper Penny, a Vengador grand daughter. Peruvian Vengador is a renowned herdsire and his offspring are highly sought after in the US.

Kassia's sire is Sweet Dreams Zaccoyo's Kash. Kash's sire, Zaccoyo, is a highly decorated award winning Victor's Vaccoyo son, who consistently produces show winners and passes on his fleece characteristics to his offspring.

Kassia certainly has inherited the best of both bloodlines. This young female took 6th place in her class at the Keystone Classic in April, 2007. The white classes at this show are extremely competitive, and placing in the top 6 is very gratifying!

Kassia has produced some fine crias for us and we are pleased with the latest one as well; a medium brown male named Xplorer, sired by Birchleaf Xxtreme.

As Kassia has lots of dark colours in her background, we have re-bred her to Xtreme, for a 2012 cria.
