Autorités pour l'analyse de la laine: Yocom-McColl Testing Laboratories

Description:

Dwali is a stunning 'Total Package' herdsire. He is a full Peruvian male with a well renowned heritage, excellent conformation and superb fleece. Dwali has a very typey macho look about him and a dominating presence.

Dwali's sire is the multiple Grand Champion winner, Jolimont Peruvian Sweet William. Sweet William has retained an incredible fineness and great fleece weight even at 7 years of age and his cria continue to win ribbons in the show ring.

Dwali's dam, RFA Daisybush, is the daughter of Jolimont Peruvian Pauco. Two of her daughters, Miss Desert Rose and Desert Queen 2 have produced amazing offspring.

Dwali has the genetics to produce superb quality crias and he doing just that! We are very impressed with the quality of Dwali's offspring and they are proving themselves in the show ring as well.
