Description:

This true black beauty is exceptional; a blue black fleece, superb conformation and dense, crimped fleece. She has the look that we love; short nose, full fleece coverage with tight curls from her nose to her toes.

BlackBerry comes from a long line of true blacks on her dam's side, and greys on her sire's. Her dam, Zoriana, has won ribbons at each show she attended; bringing home a first in her class, red ribbon in 2007. Zoriana's sire is RR Beau Jangles, a Pperuvian Javier's son. BlackBerry's sire is BP Curacao, a silver grey male who has won many show ribbons in Canada.

Blackberry was bred to our true black herdsire, Birchleaf Xtreme, a Reserve Champion, for a 2011 cria. She gave birth to a gorgeous little black female cria, named Black Pearl, which we have just fallen in love with.

Blackberry is bred to Snowmass After Dark for a 2012 cria.
