Beschreibung:

ET is now on the market as he is no longer needed by us, and John and Cecile Christensen of Karisma Alpaca Stud can't use him any more over their animals. ET is very much a Brigantine male, works well and produces well. Has good bone and a dense, lustrous, bold crimping fleece. Has produced colours, including grey. He would love some work! Runs with all the other males in one herd. Owned in partnership with Karisma Alpaca Stud. ET lives at Karisma just outside Goulburn NSW and is available for inspection by ringing John or Cecile on 0248 218169 AH. Purchaser to pay AAA/AABA transfer fees.
