### Description:

NEW PRICE! Zhivago is a correctly conformed, upstanding boy with a very fine and dense fleece. His father is the extremely well known multi supreme Championship winning Silverstream CZAR of Anzac and his mother is Silverstream Escudo of Anzac. He is a full brother to Snowhill Alexandra (Champion White Female at the 2009 SWAG show. One of the largest entries ever at an European Show).

This is a wonderful opportunity to purchase an Elite stud male at an affordable price.

His breeding includes famous names such as Alpine Fibre's Brutus, Peruvian Drambuie, Peruvian Hemingway, Pperuvian Legend along with alpacas from the Jolimont, Pucara and Purrumbete herds.

Zhivago's mother, Escudo, has an extremely fine, dense and crimped fleece (her 6th fleece is still only 20.5 microns).

Zhivago produced his first two cria in 2014, both are very attractive solid whites with dense and fine fleeces. He had one cria in 2015, a solid mid-fawn boy from a beige female, with a very nice dense, fine and nicely crimped fleece. (The only

reason he isn't used more often is because he's closely related to some of our other males). Do call if interested, as a lower offer may be accepted.
