Description:

XXplorer was sired by our true black herdsire, Birchleaf Xtreme. We are excited about his potential and are impressed with his fleece development. Xtreme is a Reserve Champion and proving he can produce amazing offspring.

This young fellow carries some wonderful champion bloodlines; Peruvian Vengador, Victor's Vaccoyo and RFA Turk/Jolimont Peruvian Ivano. He has a well proportioned solid body structure and exceptional fleece coverage. He is almost a carbon copy to his older brother, Enforcer.

We are impressed with the quality and potential of XXplorer and expect that he will continue to improve as he matures.
