### Description:

A handsome and gentle boy. He is well grown and has a bright, dense fleece that has a soft handle. He possesses a solid frame with good conformation and head typical of the breed. He is confident and won't be pushed around by the others esp at feeding time ! He likes to think he is the dominant male sometimes !

We take the welfare of all of our Alpacas very seriously and all of our boys and girls are kept up to date with all the necessary Vaccinations and Treatments. All are halter trained, registered with the British Alpaca Society and are sold with a current Veterinary Health Certificate. After sales support and Husbandry courses are available for beginners. Free delivery within 50 miles.
