Omschrijving:

From the moment he was born Inca Frederico has stood out as a stylish male.

His sire is the champion Lillyfield Jack of Spades of Inca and his dam is Inca Alpaca's most decorated female who is unbeaten for champion - Inca Cameo.

As the picture shows Inca Frederico has a great head type, straight legs and a level top line. When he moves into stride each leg tracks straight with little or no deviation.

The fleece is very dense and soft. Each staple is thin and well aligned and the fibres are fine and bright.

With such a decorated pedigree, a full brother who is a champion (Inca Emporio) and a phenotype that is most desirable Inca Frederico is a must for the most demanding breeder. He has been working well on our farm this season.
