Description:

A stunning white three year old female, Protegee?s Sire is one of the most famous Bozedown Herdsires, Bozedown Comet II. Lovely conformation, and a particularly fine and well organised fleece, she was the top purchase at the 2012 Futurity.

We mated Protegee to our top white Snowmass herdsire Snowmass Invincibly Elite, and the outcome was a lovely white female, Artwork I.E. Paloma. Protegee is now offered with a repeat mating to Snowmass Invincibly Elite or another Snowmass Stud of the purchaser's choice.
