**Description:**

Harley is perhaps the most handsome young male alpaca in the farm. An amazing head and beautifully proportioned body, he was only taken to two shows, and apart from placing very highly, both judges commented extensively on his appearance. Whilst his frame and conformation may owe much to his Sire, ?Lillyfields Jack of Spades?, his Dam is responsible for some stunning offspring, including our top potential stud I.K Huachafo, from a mating with the legendary ?Snowmass Incan King?. Her latest cria is another lovely brown girl Havana, the result of a mating with our very fine white Snowmass male ?Royal Vision?, and confirmation that almost whatever we put to Hula, we get a lovely brown, with the benefit of the fineness brought by the selected male. Harley is fully halter trained and of a lovely disposition.
