Beschreibung:

Yamari is a lovely black specimen, and so he should be, as his Sire is non-other than Snowmass Nova's Knight, direct descendant from the famous Snowmass Peruvian Casanova on the Sire side and Peruvian Black Legend from the Dam side. Yamari's conformation is quite amazing, with a dense and highly structured fleece, but not as fine as we had hoped for, so he is sold as a most beautiful gelding. Black Legend from the Dam side.
