Description:

Ruby May is a major black breeding female. She is now 4 years old, and has given us a lovely black female from a mating with ATA Cambridge Centurion.

Ruby is a Jack of Spades daughter and that is evident in every way ? very powerful with tremendous fleece yield. She is now mated to our top black Snowmass stud Midnight Legend and the expectations are high. We are interested in the Centurion genetics, so plan to keep her first offspring, Artwork Cilla. Ruby May is due early to mid June, so is offered with cria at foot and a mating to either Snowmass Midnight Legend or Snowmass Midnight Momentum.

Name of covering male: Snowmass Midnight Legend (Black)

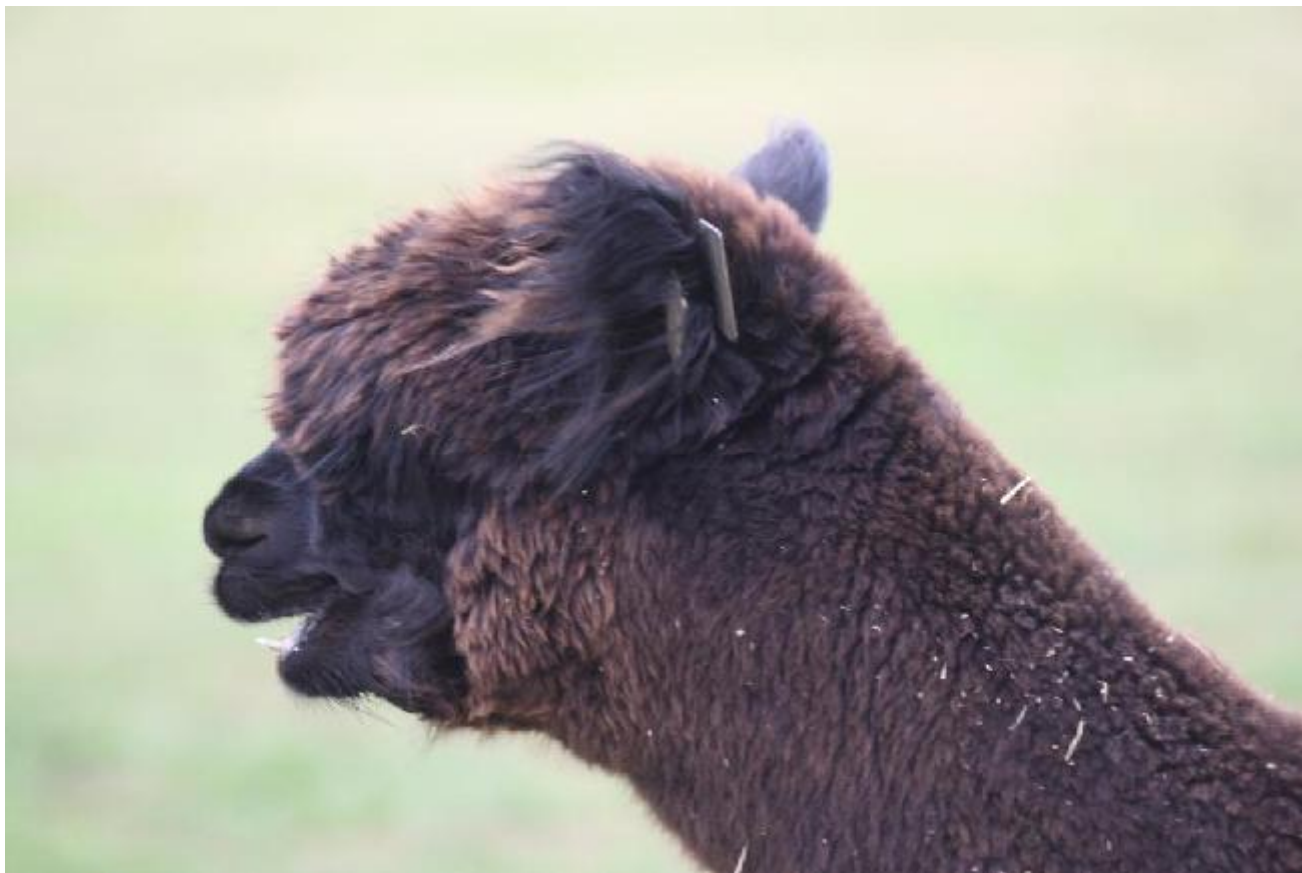

Last Mating Date: 5th July 2013

Estimated Date Cria Due (Pregnant Female): 5th June 2014
