### Description:

Mel is a solid black female with good conformation and a fine, dense, bright fleece proven with her first prize placing. She has retained her initial fineness over the years. Solid black genetics, so a good choice if you are thinking black! Her cria have both had fine, characterful fleeces.

If you are wondering if alpacas are right for you, come and visit us and we will give you the benefit of our own start-up experience. We can provide a full backup service and on-going advice to new owners with hand-on support if needed. Free delivery up to 100 miles. Vets certs if required. Discount available for multiple purchase, see our packages. If you are looking for a varied group of animals in colour and price, then we are sure to be able to help.

### Prizes Won:

First at South of England Show, 2015.
