Dam: Greathouse Gennieve

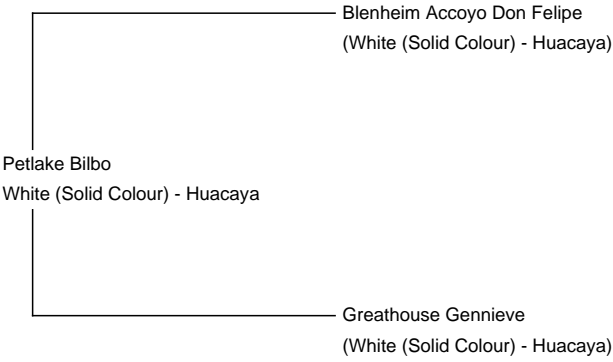

Type: Young Male (Intact)

Breed Type: Huacaya

Colour: White (Solid Colour)

Registered With: British Alpaca Society

Date of Birth: 30th May 2012

Description:

Bilbo is a young male with a strong frame and bright white fleece with great definition and staple length, he would make a great guard animal whilst also providing his owner with a very useable fleece that I have enjoyed spinning with. He is headcollar trained and is used to being handled. He is available on his own or as part of a package
