KENSMYTH GORGEOUS GIRL is as her name suggests. She was gorgeous as a cria and very Girlie which is her field name now. She has a curious bold attitude to life is extremely well put together. She is well grown and her fleece is soft, dense and crimpy and of a good staple length.. She has excellent bloodlines and will produce strong colour for those wanting variety and choice in their herd. She is a female not to be missed and will only be sold to go with others. Quarantine facilities available for Export. Fully up to date with vaccinations, shorn, microchipped and ear tagged. We are badger fenced with a closed herd.
