### Beschreibung:

Romeo is a beautiful male with a superb calm nature. He has a very fine dense fleece, excellent conformation and has performed well at shows achieving Reserve Champion Fawn Male as a Junior and very good comments from the Judges for his 2nd places.

He is Grandson to the top award winning Tulaco Centurion and son of our own award winning Classical Ajax 11 and Watership Celestine who has herself won best British and Champion Fawn Female.

We have been very pleased with all his cria. He is such a good animal that we will continue to use him and sell his services.
