Fibre Testing Authority: SGS

Description:

Ulysses is a very well grown mid fawn male with excellent conformation and a dense and characterful fleece.

He has impressive names in his pedigree, including CME Tulaco Centurion and ILR Alpaca Fibre's Brutus.

Ulysses' fleece is gorgeous, it has a very soft handle, is well organised with a long staple length. His fleece is fine and uniform in both colour and fineness. He has excellent density and coverage.

Ulysses is a gentle and easy to handle male with great prospects. Fertility guarantee included.
