### Description:

Alaska is a very good quality female showing very good density and fineness. She has excellent conformation and a beautiful head. Alaska is halter-trained, very easy to handle and will eat out of your hand. She has been mated to our beautiful Ultrafine brown stud Artwork Rico who has full Snowmass genetics and fleece stats of 18.8 Micron and 4.3 SD. Very excited to see what this pairing produces!

### Prizes Won:

Not shown
