Description:

Ember is a beautiful alpaca. She has a lovely fine and dense fleece with excellent confirmation and a gorgeous head. She is fully halter trained and easy to handle. Ember is a wonderful mum and has produced 2 beautiful cria in 2015 and 2016 whose fleeces are Ultrafine with good density and definition. She has been mated to our beautiful Superfine Stud Anzac Almost Illegal whose 7th fleece is only 22 Microns, so we are very excited to see what this pairing produces!
