(taken on 14th May 2016 at 10 Months of age)

Fibre Testing Authority: SGS

Description:

A pretty little female with fabulous confirmation and great coverage of good quality fleece. Her pedigree stems from one of our original Peruvian import females who was in turn crossed with Fergus, an ?A? line stud, who has sired many National and Futurity show winners.

Vida's sire is 2013 & 2015 BAS National Supreme & Futurity Champion, Bozedown Ascendant, this side of her pedigree brings Jolimont Rodrigo II (Arequipa & Cusco Champion), and Bozedown Galaxy (Multiple National & Futurity Supreme Champion) and this powerful combination should ensure she produces a wealth of good quality fleece for many years to come.

Scanned pregnant to Clara's Gold our Futurity Winning Light Fawn male - who like his father brings fineness, density and superb vigour to all of his offspring.

Vida offers a wealth of quality genetics at a sensible price point.

Name of covering male: Melford Green Clara's Gold (Light Fawn)

Last Mating Date: 22nd June 2017

Estimated Date Cria Due (Pregnant Female): 22nd May 2018
