Description:

From the renowned Canchones Stud in Australia, Referendum (aka Reffy) is a stunning true "coal" black male with real presence, excellent bone structure, balance & proportion. All these fantastic traits he is holding as he matures. His fleece is fine, uniform, bright and dense, with his 7th fleece at 22 micron. His jet blackness has been passed to his progeny.

Reffy descends from prize winning parents, he has never been shown but his progeny have excelled in the show ring, including at National and Futurity level.

We are reluctantly offering Reffy for sale as we now have too many related females - and this boy wants to work!
