### **Description:**

Hera is a proven Mother producing championship winning offspring. Hera is half Accoyo, she has a superior covering of fleece and was born at Fowberry with a tightly curled fleece which developed into long fine staples. Well above average brightness in her own and her cria's fleece.

Hera's first cria Kyros, Judge Tim Hay at Northumberland County Show described him as a herd sire of the future, a very bright advanced fleece.

Hera's herd sire: Toft Cornelius (SW) is well known and has been a prolific producer of prize winning offspring for many years.

Hera's Dam: Snowqueen has impeccable colour consistency as all of her cria are white.

Hera is an impressive and stylish female who is carrying the very special genetics of Fowberry Top Account.

Although Hera has been mated, she will be sold as if empty
