(White (Solid Colour) - Huacaya)

Cold Comfort Fortnum  
White (Solid Colour) - Huacaya

Alpaca Stud Haze Dream  
(White (Solid Colour) - Huacaya)

### **Description:**

Fortnum is a friendly Alpaca and is very easy to handle. Alpacas make great pets, companions for other livestock or as guards for lambs and chickens. They are good natured animals with a natural sense of curiosity. They are hardy creatures requiring little maintenance. Their soft feet are easy-going on paddocks and their fleece can be used for yarn, felting and in many other crafts. Our animals are bred and kept on a family farm in Kent and come fully vaccinated and are registered with the British Alpaca Society.
