**Faser-Untersuchungsorganisation:** Australian Wool Testing Authority

### Beschreibung:

Pride is a compact, strong framed male with an immensley dense wavy fleece with great lustre and brightness. His sire Travatore is one of our top stud males still working on our farm with many ribbons and rosettes under his belt. Pride has proven he is also a show winner with many ribbons to his name. His Dam Prestige, imported from Australia, has produced many show winning progeny too. We are confident Pride will follow in his parents footsteps and continue to produce outstanding progeny. He is a steal at just £8,000.
