Description:

An exceptional young male, with great conformation and a fleece that won Supreme at the Eastern Region Fleece Show. Most reluctantly offered for sale as a stud with great potential - we have his brother Fowberry Aurelius, also from Nobility, and he has been giving us exceptional progeny, stamping not only his conformation and fleece qualities, but almost invariably is lovely dark fawn colour. Jupiter's dam is Artwork I.E. Juanita, sire Snowmass Invincibly Elite, sadly now deceased. He was arguably the top white Snowmass imported to England, and Jupiter is a unique fusion of such top US and Australian genetics.
