Yield 2.50 Kg/Year

(taken on 9th September 2018 at 1 Year and 2 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

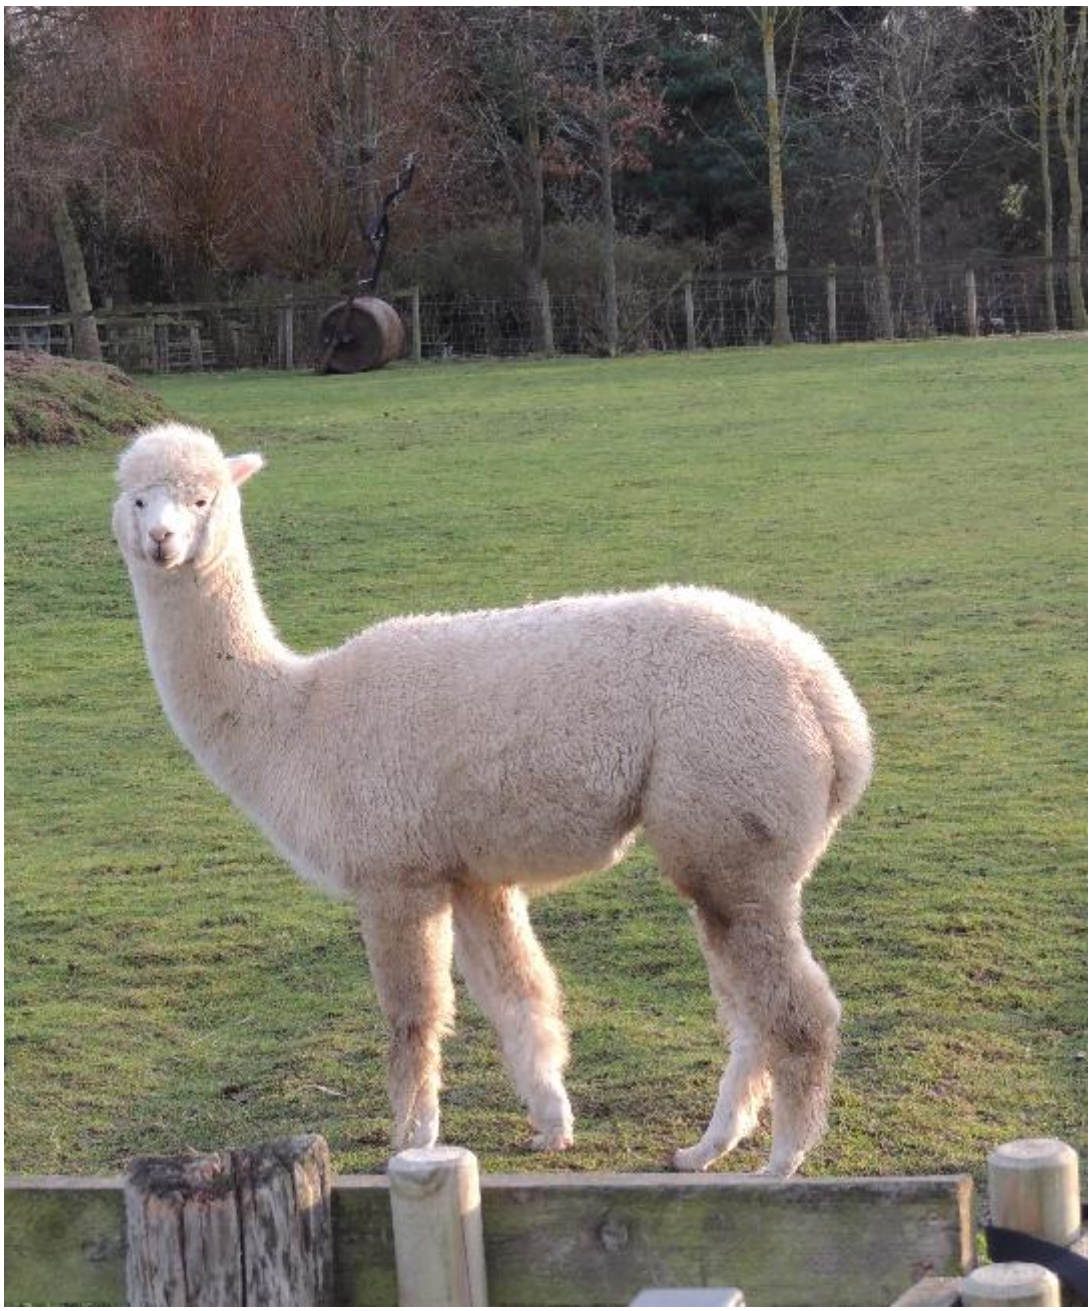

Description:

Lillia is a very pretty alpaca with a gentle temprement. She has a strong conformation and carries a big dense fleece which is fine with a lovely lustre. Although white, her inherited genetics could easily add a splash of colour to your herd. She is ready to be mated this year but sadly we cannot mate her with our stud males as she is too closely related, this is reflected in her sales price.
