(taken on 28th June 2017 at 2 Years and 11 Months of age)

Fibre Testing Authority: European Wool Testing Authority

Description:

Invictus is a lovely true to type, light fawn huacaya macho, who currently lives with other intact males. His sire is the multi Supreme Champion, and sire of many prize winning progeny, including a Supreme Champion, Valley Alpacas The Diplomat. His pedigree is a record of many of Australia's proven greats, with genetics that include names such as EP Cambridge Peruvian Spartacus, EP Cambridge Peruvian Caesar, Jolimont Conquistador and Jolimont Gianmarco.

His fleece is very dense, with fantastic architecture. He grows a good fleece length with pencil type staples that are strongly crimped to the tip. He has produced some lovely cria for us this year with dense, bright fleeces, that have very good coverage and structure. Invictus has the ability to pass colour to his offspring as his dam is solid dark brown, as is his full sister (a champion female), but he has also produced white when bred with a white female.

Invictus is correct in conformation, with a strong bone structure, deep chest, and beautiful head, that he has passed to

his offspring. He is of medium stature; not too big or small, just right!

If you are looking to add great genetics, density, coverage and structure, at an affordable price, then Invictus could be for you. Contact Hannah on 07514 672147 to arrange a viewing.

Invictus was placed 2nd Junior Light Male at the National Halter Show in 2015 competing against some of the country's best alpacas, as well as Reserve Champion Light male at the North Somerset Show in 2016.

Prizes Won:

2nd Junior Light Male - National Halter Show 2015

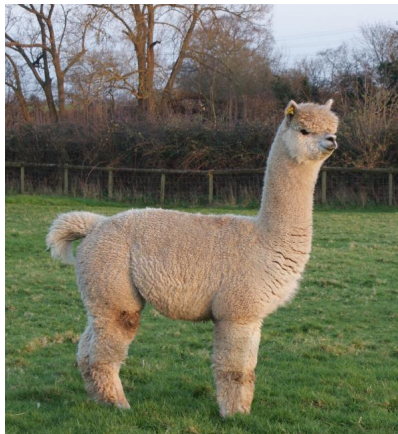

2nd Intermediate Light Male - North Somerset 2016

Reserve Champion Light Male - North Somerset 2016
