(taken on 5th June 2018 at 4 Years and 9 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

Nimbus's fleece is exceptionally soft to the handle, fine and highly uniform. Each staple is well organized with a high frequency, high amplitude crimp style that extends to the tip of each staple. He has highly successful bloodlines on both sides of his pedigree. We own half of Nimbus and his price is for half, but the other owner would also be prepared to sell their half.

Prizes Won:
