*(taken on 12th May 2017 at 10 Months of age)*

**Fibre Testing Authority:** Australian Alpaca Fibre Testing

### Description:

Cold Comfort Cornelius is a wethered, HALTER-TRAINED field pet/companion or a guard animal for other livestock. He is a sizeable male who stands up to our studs! He was a show animal as a cria and is therefore fully halter trained, making him easy to handle and transport. He is now exhibiting the instincts expected from a 4-year-old male and can be seen facing off to foxes and other small animals.
