Description:

A striking and very well grown macho true black stud male, with an excellent show record including eight first places, and with very rare genetics for the UK.

Sired by Viracocha Prophecy of Anzac, who was imported by international judge Dominic Lane, and was unbeaten in the UK show circuit before being exported to Belgium.

Balthazar's fleece is very dense, bright, exhibits excellent character, and has no colour contamination whatsoever. He has strong black genetics and has even produced a black cria from a white female. He is a very enthusiastic worker, straightforward to handle, and has been underutilised as we are now retiring. He really needs to demonstrate his full potential.

Free delivery within a reasonable distance, and no additional VAT.

From an 'Enferplex' tested bTB free herd, with a strict biosecurity regime.

Sensible offers would be considered.

Examples of his cria can be found on the sales pages of Elevage du Fontenelle.com and Patou Alpacas.co.uk.

Prizes Won:

Eight 1st places.

One Colour Champion

Three Reserve Colour Champions.
