Dam: Caco Martha

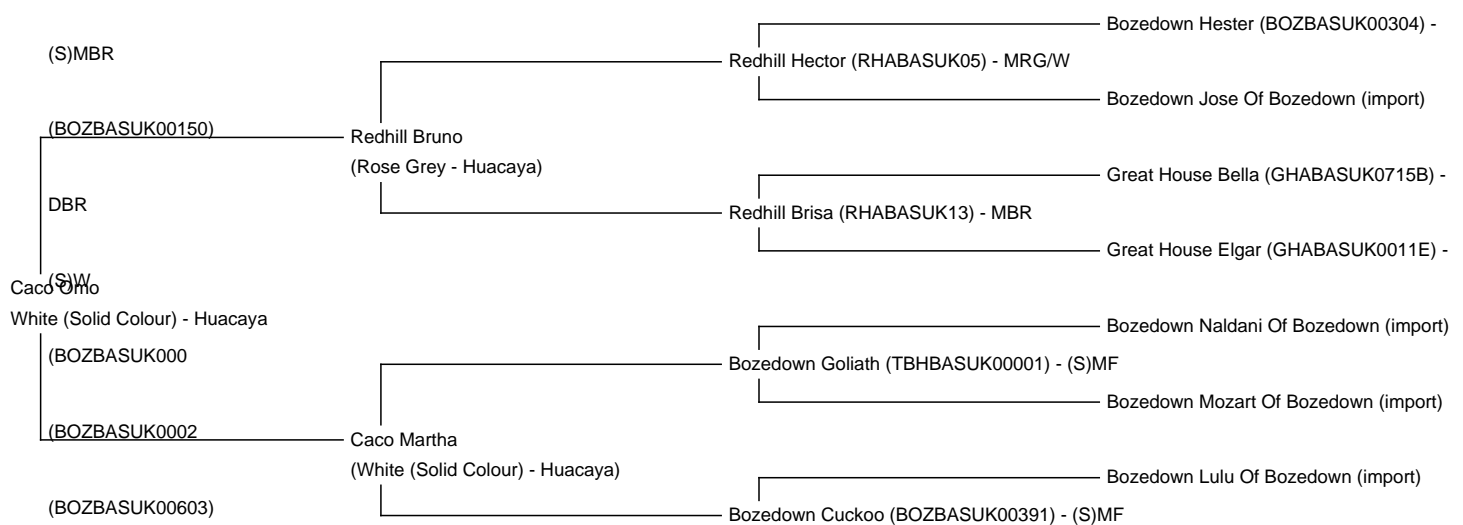

Type: Stud Male

Breed Type: Huacaya

Colour: White (Solid Colour)

Registered With: BAS No. UKBAS29202

Date of Birth: 26th July 2015

Description:

Omo is one of the quieter alpacas in our male herd and you often find him happily grazing in his field. As Omo wasn't born on our farm, for the first couple years of his life he missed out on any interaction with humans so lacks the confidence some of our other boys have. With more training Omo's confidence would boost massively and improve his shyness.
