Description:

Inca Jubilee represents a unique opportunity to invest in some top proven black genetics. This female has been bred from our reliable female Tiera of Inca who has had some show winning cria including Inca Balboa (herd sire at Houghton Hall) and Inca Elise whose son won Champion Black at the 2018 BAS National Show.

Inca Jubilee is a well grown female who exhibits balance and style to her frame, her fleece is very fine, dense, bright and extremely uniform.

We have bred many of our Inca Flagship daughters to our champion sire Surtierra Shadow and have had amazing results. The 2019 BAS National Reserve Champion Black Male was this cross, as his dam Inca Journey Forth was also sired by Inca Flagship.

This female suits those breeders of black alpacas that are looking for elite, low risk stock.
