Description:

Galapagos has fantastic conformation, presence and exquisite fleece qualities that have caught the attention of the judge on every occasion.

His stylish advanced fleece type covers a balanced frame. His fleece is dense, soft, bright and extremely uniform in micron.

Galapagos had a very successful show career and is a multiple brown champion.

He has some fantastic coloured genetics in his background including ATA Cambridge Centurion and his ability to stamp colour across your herd is inevitable, his first two cria born to white dams are solid brown.
