### Description:

Tiara is a very attractive appaloosa female who has a fine fleece with superb lustre and handle on a solid frame. She is a heavily marked appaloosa. Her fineness can be attributed to her sire 'Appaloosa Archipelago' and her dam is also a very fine black female who is also sired by an appaloosa, hence appaloosa on both sides of her genetics.

She is more than ready to be joined to a male of your choice or we can include a mating to one of our stud males at a reduced rate.

Lots of breeding ahead for this beautiful female.

Very reasonable price. Please enquire.
