### Description:

Inca Magistrate is a very striking young male who has great style and presence. Bred from a really elite female called Inca Justice 2 who is co-owned between Bozedown Alpacas and Inca, Inca Magistrate brings the benefits from his dam and her proven pedigree and also the uniform influence from multi champion sire Surtierra Shadow.

As you can see from the photo and video clip, Inca Magistrate moves well and has great proportion. His fleece is very dense, bright and uniform in micron. He does have a small spot on his neck but no white fibre has been observed through the rest of the fleece.

Inca Magistrate comes with a full veterinary health check and fertility guarantee. He is available for export and can be made ready with three weeks notice.

Inca Magistrate is now working and mating females well.
