(Genomen op 7/04/2020 op de leeftijd van 1 Jaar en 9 Maanden)

Wolanalyse-organisatie: Australian Alpaca Fibre Testing

Omschrijving:

Sheriff Marshall stands out in a paddock. Such a macho male with superb bone and a great frame. His fleece coverage and length is just exceptional head to toe. His fleece is soft with good density, fineness and uniformity. This boy would work well with lighter females to introduce colour in the herd.

Marshall has impeccable genetics and very keen to start work this summer.

Gewonnen prijzen:

National junior fawn 3rd

Three counties fleece show brown fleece 6-12 months 2nd

Yorkshire halter show-Fawn intermediate male 6th
