Price: £1,000.00 (SOLD)

Sire: Houghton Mocha

Dam: Houghton Carmen

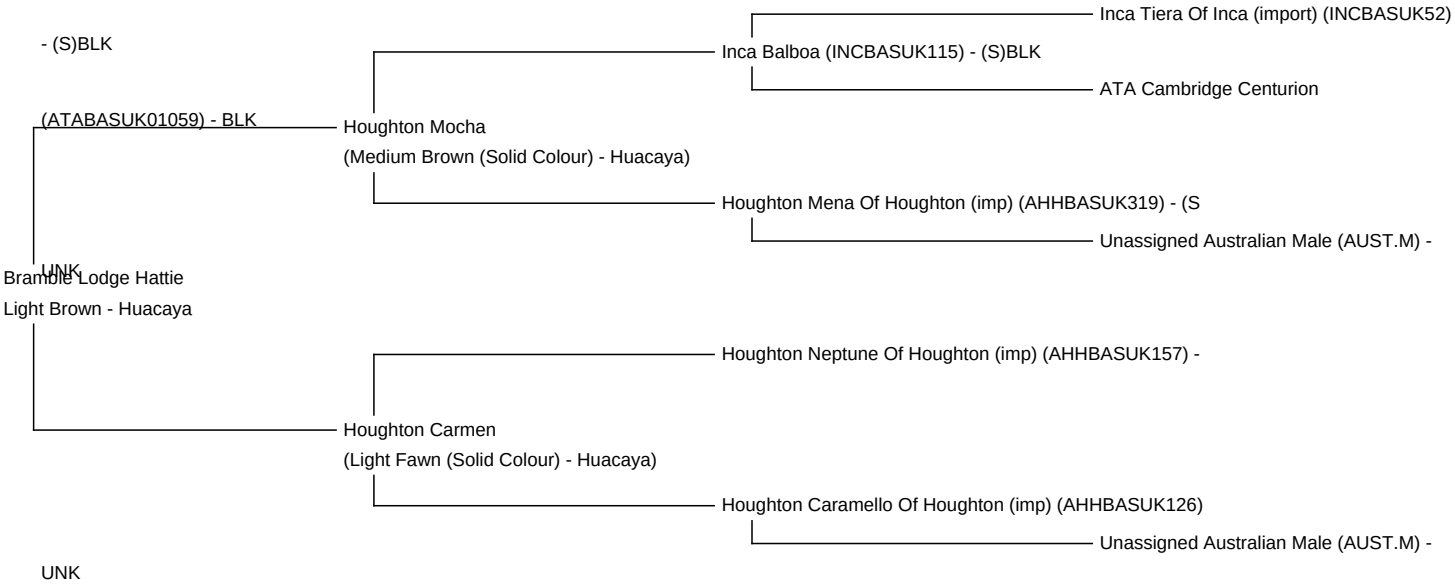

Type: Female

Breed Type: Huacaya

Colour: Light Brown

Registered With: BAS No. UKBAS29790

Date of Birth: 13th July 2016

Description:

Hattie is a very pretty female with a lovely nature and a gentle soul who loves to be in the thick of the herd.
She is easy to handle and happily walks on a lead.
Hattie's fleece was last tested April 2018 by Australian Alpaca Fibre Testing UK.

Micron Average(µ): 19.1
SD(µ):4.8
CV(µ):25.1
SL(mm):85.0

As seen in her results she has great micron count and Hattie can be further improved by matching to a stud with high density and a great staple length. We are excited to see what she will produce in the future
