(taken on 16th May 2019 at 11 Months of age)

Fibre Testing Authority: Australian Alpaca Fibre Testing

Description:

Toreador (Dory to us) is a phenotypically correct, well put together young male of very impressive appearance. He has a dense highly lustrous fleece with uniform style throughout the blanket and into his extremities. He was clean shorn in his first shearing and has cut 2.6kg of blanket, 0.9kg of neck in his second shearing. We are currently awaiting his fibre results.

He has a superb pedigree. His dam is Persephone, born of a MacGyver daughter. Persephone was herself Supreme Champion suri at the South of England Show 2017 and is an outstanding female. Dory's sire is Rapper - himself a MacGyver grandson - who, before he came to Spring Farm from Pucara Alpacas (an internationally renowned American suri herd) was Brown suri male Champion at the AOBA Nationals. Rapper has sired multiple UK Championship winning offspring and was the BAS National Dark Herd Sire of the year 2014. Rapper's pre-potency follows through in Dory who went to the BAS National in 2019 and took Champion Brown suri male!

Dory would be great asset to any suri herd wishing to breed coloured offspring. He carries a fertility guarantee but as he is 2, has yet to work. We aim to prove him as soon as possible. Please note, we will want to retain 4 matings to Dory.

Prizes Won:

2019 BAS National

1st Place junior brown suri male + CHAMPION

2019 South of England

1st Place junior brown suri male + CHAMPION
