Sire: Elite Shazzam Boy

Dam: Mile End Bella

Type: Pregnant Female (Pregnant)

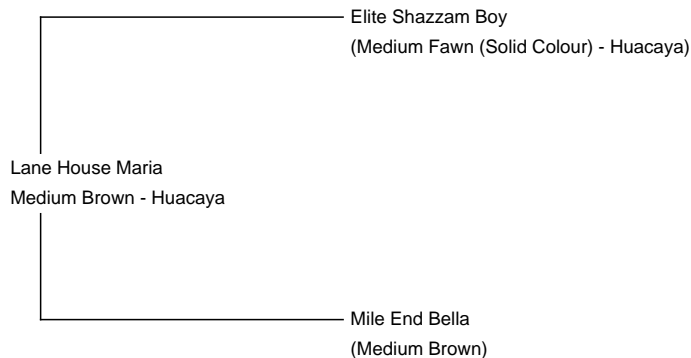

Breed Type: Huacaya

Colour: Medium Brown

Registered With: BAS

Blood Lineage: Snowmass Shazzam

Date of Birth: 20th May 2011

Description:

Maria is an impressive brown female. Solid frame, Excellent conformation and superb head type. She has produced fawn cria every time to white males and of excellent, show winning quality. I have both a female and a stud male from Maria hence the sale.

She continues to carry a dense, bright fleece with good fineness for her age. The quality she can produce is in her progeny. two of which are here at sheriff alpacas. Maria would be an excellent purchase for any coloured breeder. I have repeated the mating with our champion import Silverstream Ozone of Sheriff as the result was fantastic.

Name of covering male: Silverstream Ozone of Sheriff (White)

Last Mating Date: 10th June 2020

Estimated Date Cria Due (Pregnant Female): 10th May 2021

Number of Crias bred from female: 5

Lane house Maria with daughter
