Description:

Artemis is an attractive female displaying a very uniform, dense fleece with excellent coverage. She had her first cria in August 2022, a stunning fancy and proved to be a very attentive mother. Like all of our alpacas Artemis is fully halter trained and easy to handle.

Artemis has a good quality fleece, very uniform across the blanket showing good fineness and excellent density. She offers solid proven genetics including Accoyo Remarque on her dams side and strong greys on her sires.

Artemis is pregnant to grey stud male Brampton Valley Theodore and expecting her cria in July 2025.

Our entire herd was tested TB free in April 2025.
